How you can help?

- Prayerfully consider whether you will come and if so if there are any friends you would like to invite.
 - It would be good to set aside some time to come to both parts of the event. If you do have study and assignments, then I suggest leaving at 2:30pm and then returning at 6pm for dinner.
 - Please RSVP well-before 3pm Thursday, to ensure that I can cater for enough people. If you can only make part of the time, then that is ok.
 - If you can help with the preparation or with ideas, then please let one of us know.
- ACTUALLY YOU CAN RSVP by the 1st of September that would be good!!!
Also, feel free to send this PDF to your non-FB friends to invite them along!!!
